## The Printer's Apology to the Reader.

*IT can't be expected, but that a Work of this Nature muſt be attended with ſeveral Errors, ſuch as the miſpelling of Perſons Names, Places of Abode, &c. it being taken in a Hurry, during the Election: But I have uſed my utmoſt Endeavour in carefully Tranſcribing the Copy, and comparing it with the original Poll-Book; therefore muſt deſire the Readers to correct with a Pen the Miſtakes they ſhall find in it.*
